2010 ANNUAL REPORT

Community earns grants

This group had a lot to smile about at the Tuscola Technology Center. They represent most of the organizations and groups that received money in the 2010 spring grant round from the Tuscola County Community Foundation. A total of \$84,578 was awarded.

Zuercher's love of music plays on

The first grant given in honor of the late Jerry Zuercher was recently awarded at Caro High School Band Program. Those present for the grant award included: (from left) Family members of Zuercher, Heidi Brown and Liz Zuercher, who presented the grant to students Jenna Mervyn and Todd Dennis, with band director Rachel McGiness in attendance as well. Mervyn serves as the Caro High School drum major and Dennis is the assistant drum major.

TUSCOLA COUNTY COMMUNITY FOUNDATION

The Formative Years

In November of 1996, nine community-minded volunteers from the Caro and Cass City areas met to determine the requirements to establish a community foundation. Part of their motivation was the challenge issued by the W. K. Kellogg Foundation to match \$1.00 (up to \$1,000,000) for every \$2.00 raised by community foundations. To meet the requirements, a grant application had to be submitted by April 1, 1997 and a Youth Advisory Committee (YAC) had to be established.

Through the diligent efforts of these volunteers, along with the help of many others, all requirements for establishing a community foundation, as well as the application for the Kellogg grant, were completed. In early 1998, trustees of the William A. & Ruth Janks Foundation and the Claude D. & Etta

Andrews Foundation agreed to end their private foundation status and become part of the new Tuscola County Community Foundation (TCCF).

With all the requirements fulfilled, a Challenge Youth Project Grant from the W. K. Kellogg Foundation was received by TCCF in two installments - \$900,000 in November of 1998 and \$100,000 in August of 1999. The first YAC grants were awarded to Tuscola County organizations in September of 1999. Since the TCCF inception, grants and scholarships awarded in Tuscola County from the various funds exceed \$1 million.

Six new funds established

TUSCOLA COUNTY — The Tuscola County Community Foundation is pleased to announce the establishment of six new funds which will aid with the Foundation's mission of making Tuscola County a better place to live.

The Dr. Floyd L. Echols Memorial Scholarship Fund was established to provide scholarships to Tuscola County students who will be attending a Michigan college or university and planning a career in the field of social work.

A scholarship entitled Cass City Jr. Citizen of the Year Scholarship Endowment was created to provide scholarships to future students named Cass City's Jr. Citizen of the Year.

A third scholarship established was the "Are You Prepared?" scholarship, which will be awarded to Caro High School students attending a college or university of their choice.

The most recent scholarship established was the Tuscola County Community Agricultural Scholarship. This fund will grant scholarships to students who graduate from a Tuscola County high school and attend Michigan State University majoring in a career area within the Department of Agriculture.

Two designated funds have also been created to assist the agency for which they were established. The Tuscola Area Airport Authority/Friends of the Tuscola Area Airport Fund

will provide support for the Tuscola Area Airport.

The final fund established was Thumb Volunteer Alliance-Thumb Area Fund. This fund will assist the Volunteer Alliance to fulfill its mission which is to effectively strengthen our community through the mobilization of volunteers.

Persons interested in obtaining information about contributing to an existing fund or creating a new fund can contact the Tuscola County Community Foundation at P.O. Box 534, Caro, MI 48723, calling (989) 673-8223 or sending an e-mail to tccf534@centurytel.net.

WAYS TO GIVE...

The Tuscola County Community Foundation has a variety of giving methods tailored to each unique situation. We look forward to working with donors and their philanthropic interests.

You can designate a gift or portion of your estate to your community foundation and, in some cases, receive a substantial reduction in federal gift and estate taxes.

CHARITABLE LEAD TRUST

You can place cash or property into a trust that pays a fixed amount to the foundation for the number of years you select. Once this period ends, the assets held by the trust are transferred to the beneficiaries you name. In some cases, you receive a substantial reduction in federal gift and estate taxes.

Funds for operations

All organizations, including those that are charitable, require funding in order to operate. It is not unusual for operating fees to be in the area of 5 to 15% for some charitable organizations. The Tuscola County Community Foundation also needs financial resources in order to fulfill its responsibilities. Approximately one (1)%, or one (1) penny on a dollar of the funds managed within the Tuscola County Community Foundation, is needed for operating purposes. Additionally, new funds, during the first partial year of existence and the next two (2) complete years are not assessed any fee for operations. This is done to assist with new fund growth and development. The average administrative fee for community foundations in Michigan is in the two (2)% range.

The all-volunteer Board of Trustees of the Tuscola County Community Foundation work diligently to control costs in order to maintain a very low operating fee structure.

FUTURE YOUTH INVOLVEMENT COMMITTEE

The Future Youth Involvement Committee (FYI) is part of the Tuscola County Community Foundation and manages a permanently endowed fund which maintains assets of approximately \$1.2 million. FYI is comprised of students from high schools in Tuscola County who, with adult advisors Paula Gromak and John Hunter, make conscientious and often difficult grant making decisions. FYI teaches youth the value of philanthropy and fosters leadership qualities as the committee works to make Tuscola County a better place to live.
