A member of the Council of Michigan Foundations
For Good. For Ever.

2011 ANNUAL REPORT

During TCCF's young existence, over \$1.75 million in grants and scholarships have been awarded from the over 70 funds maintained by the Foundation

FUNDS

TCCF holds a collection of over 70 funds. Donors created 5 new funds in 2011. Some donors create funds to support specific causes or interest areas. Either way, they make an impact on community needs. We also learned that 3 people included us in their estate plans in 2011. Whether these future gifts will come from the donor's will, retirement plan assets, life insurance or other source, each one is a charitable legacy that will last forever.

DONORS AND GIFTS

When people give to a fund of TCCF, our community benefits. In 2011, 448 people gave the Community Foundation \$807,916 in gifts. The gifts ranged from \$3 to over \$100,000, proving that anyone can be a philanthropist.

Recipients of the Spring 2011 grant offerings from the Tuscola County Community Foundation are pictured at the Tuscola Technology Center.

Mission Statement

Our mission is to make Tuscola County a better place to live by maintaining a permanent philanthropic endowment base which will assist and fund a variety of efforts, turning needs and dreams into realities.

TUSCOLA COUNTY COMMUNITY FOUNDATION

The Formative Years

In November of 1996, nine community-minded volunteers from the Caro and Cass City areas met to determine the requirements to establish a community foundation. Part of their motivation was the challenge issued by the W. K. Kellogg Foundation to match \$1.00 (up to \$1,000,000) for every \$2.00 raised by community foundations. To meet the requirements, a grant application had to be submitted by April 1, 1997 and a Youth Advisory Committee (YAC) had to be established.

Through the diligent efforts of these volunteers, along with the help of many others, all requirements for establishing a community foundation, as well as the application for the Kellogg grant, were completed. In early 1998, trustees of the William A. & Ruth Janks Foundation and the Claude D. & Etta

Andrews Foundation agreed to end their private foundation status and become part of the new Tuscola County Community Foundation (TCCF).

With all the requirements fulfilled, a Challenge Youth Project Grant from the W. K. Kellogg Foundation was received by TCCF in two installments - \$900,000 in November of 1998 and \$100,000 in August of 1999. The first YAC grants were awarded to Tuscola County organizations in September of 1999. Since the TCCF inception, grants and scholarships awarded in Tuscola County from the various funds exceed \$1 million.

The Tuscola County Community Foundation has a variety of giving methods tailored to each unique situation. We look forward to working with donors and their philanthropic interests.

OUTRIGHT GIFT

You can make a gift of cash, stocks, bonds, real estate or other assets to the foundation. Your charitable gift qualifies for tax advantages under federal and Michigan law.

BEQUEST BY WILL

You can designate a gift or portion of your estate to your community foundation and, in some cases, receive a substantial reduction in federal gift and estate taxes.

CHARITABLE LEAD TRUST

You can place cash or property into a trust that pays a fixed amount to the foundation for the number of years you select. Once this period ends, the assets held by the trust are transferred to the beneficiaries you name. In some cases, you receive a substantial reduction in federal gift and estate taxes.

Funds for operations

All organizations, including those that are charitable, require funding in order to operate. It is not unusual for operating fees to be in the area of 5 to 15% for some charitable organizations. The Tuscola County Community Foundation also needs financial resources in order to fulfill its responsibilities. Approximately one (1)%, or one (1) penny on a dollar of the funds managed within the Tuscola County Community Foundation, is needed for operating purposes. Additionally, new funds, during the first partial year of existence and the next two (2) complete years are not assessed any fee for operations. This is done to assist with new fund growth and development. The average administrative fee for community foundations in Michigan is in the two (2)% range.

The all-volunteer Board of Trustees of the Tuscola County Community Foundation work diligently to control costs in order to maintain a very low operating fee structure.

FUTURE YOUTH INVOLVEMENT COMMITTEE

The Future Youth Involvement Committee (FYI) is part of the Tuscola County Community Foundation and manages a permanently endowed fund which maintains assets of approximately \$1.2 million. FYI is comprised of students from high schools in Tuscola County who, with adult advisors Paula Gromak and John Hunter, make conscientious and often difficult grant making decisions. FYI teaches youth the value of philanthropy and fosters leadership qualities as the committee works to make Tuscola County a better place to live.

Scholarships

TCCF believes all of our area's students must have what they need to take advantage of education opportunities available to them: the skills, support and money. In 2011, TCCF funds awarded \$110,732 in scholarships that helped 94 Tuscola County students attend college or vocational/technical school

Community Investments

Every year, the funds of TCCF enhance the quality of life within Tuscola County by investing dollars in the work of nonprofit organizations. In 2011, with the help of our donors, TCCF granted approximately \$187,220 in support of programs that prepare children for success in school, help people meet basic human needs, and enhance prosperity throughout Tuscola County.
